SUJET n°2

Situation

You work as a waiter/waitress in an Irish four-star hotel. Many tourists from Europe visit the hotel all year long. The hotel director is keen on offering a European brunch in order to satisfy all the guests.

Your restaurant has recently committed to being eco-friendly by using local products and seasonal ingredients. The restaurant wishes to highlight the local producers.

Tasks

Use the documents on page 2, and refer to your own professional experience:

1. Explain how you present and organize a brunch (opening hours, utensils and equipment on the guest table and on the buffet...).
2. Identify some food products that can make this brunch experience eco-friendly and justify your choice.
3. Suggest a range of drinks of your choice (hot, cold, soft, alcoholic, non-alcoholic drinks...).
